

# Beware, don't become a victim of a liability judgement against you!

Get the right cover as a security service provider now!

Security companies face potentially devastating claims of a magnitude that may bankrupt them if it has no (or insufficient) Security Service Liability cover. The nature of low frequency high value claims must be provided for.

**Revolute Underwriting Agency (Pty) Ltd is an authorised financial services provider that provides tailor-made Specialist Liability insurance, designed to cater to the distinctive needs of the Security industry. Our specialists will provide guidance and advice on:**

- General Public Liability
- Pollution Liability
- Products Liability
- Security Claims / Security Liability
- Fire Arms Liability
- Special Events Security
- Professional Indemnity
- Professional Negligence
- Medical Response and Ambulance Services
- Employers Liability
- Freight Escort Services
- Crowd Control Security Services

**Revolute. The True Experts.**

With liability insurance cover, your business is insured against financial losses, should your actions be found to cause injury, property damage or if an employee's negligent action caused damage to a third-party during business operations.

Awarding of contracts is often dependent on the right insurance cover being in place.

## WE HAVE YOUR BACK!

## SECURITY SERVICES LIABILITY INSURANCE

Protect your security services business with comprehensive liability insurance. Safeguard against potential claims and legal expenses arising from accidents, property damage, or personal injuries.
